General Council Meeting	<ul style="list-style-type: none"> Khalid initiated the meeting stating that we were waiting for the final budget before scheduling any events for the current academic year. Shihab just confirmed the payout with Dr. Patrick, and Dr. Patrick said that the reimbursement for the previous year was also delayed and asked to check the payout for this year. Khalid also mentioned that we will get the final budget by October 16th as per the email from Gwen. Dr. Patrick informed us to spread the message to all the graduate students regarding the Alberta Innovates information session happening on September 13th and informed us that the enrollments from graduate programs were quite high than the last year. Khalid updated that we are going to send an email regarding the bursaries by October 1st and confirm with Dr. Patrick if the email must be sent out to all the graduate students. Dr. Patrick replied that he would confirm with Financial Aid and Lynn regarding that and asked Khalid to send out the list of program representatives. Dr. Patrick asked us to update the website to reflect the fact that the Psychological Assessment diploma program has been ended and that the Environmental Public Health program should not be listed in the graduate programs.
